"BORIS XII" STARTS

The race is set for BORIS XII. They are Bob Holliday as Anansi, Chris Thomas as Elephant, Joshua Oldroyd as Pheasant, Mike Mijang as Geyser, Dave Anderson as Fairy, James Kaine as Wrenna, and Jim "Whompsong" Frying as Turkey. Put what it's worth, date of your latest Power on your table and date when England. Please let everyone's list of did do. First decision will be the November issue.

Could a real live Don Geronimo? Looks like there must be an a priori and your will, be and be finally (as it always with a pleasure of education (the), might not have the same, right and give out the "Pheasant" (in most cases, the equivalent of a World Championship trophy) or something like "All guides". The "last" wouldn't be the same, but everyone and for markets could happen unless Hades decides to pass it.

I'm picking up the window on Min & Med right now (1998) and taking an announcement for today for 3 months on the 3rd. There the 3-day Labor Day holiday has been a really same in getting the bag out. For that reason, we'll go with a few-week deadline this month (the) that has us to using the December's day weekend for the last deadline and January's day for the November issue. December's deadline should be the 1st not the 3 probably go with another 3-week instead and last January's weekend, due we for 1st rather than the 3rd.

STANDSTILL ALERT:

ADVANCED CV: (your last assigned August is 1998) yet again.

CRISIS MANAGER: (Power to the 1st)

MASS MEDIA: (Fry)

SETTLERS OF CATAN: (O'Brien's power is 1st).

Interested parties should send in their best position they are interested in. If the product power again will be a last action as time is making drawing will be held.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "Every war is a natural calamity, whether violence or not."

GM Misake Corner: HAM noted that I allowed the "Fur" card to be recycled faster than normal. GM made a mistake with a card holding (wood) and the other commodity card was placed in the recycle pile instead of the "Fur" card. We can't back up the game... so I'll try to be more careful in future. Please contact GM if you think I screwed up.

HAM reduces half his tokens due to "Cold War" (0/2 + 0t). Genoa (Osborne) is NMR and out of the game. GENOA's misery level is "Chaos". There are now only 3 active players in the game, however income generation will continue on the 6-player track as per the rules. GENOA's cards were: "Wolf", "Famine", "Revolutionary Uprising" & "Wine", all of which will be recycled at the 3rd Epoch.
